to secretary, me, info.basclub

My apologies too Richard. I really haven't been organised at all - I'm sorry.

Thank you for the greetings and very best wishes to you & your members.

I hope that we will be getting in touch later in the year - the NZAS is in the process of rejuvenating itself, and looking to become more active also in the international community.

Best regards

Stuart

National Secretary NZAS

PS: Greetings to you too Melanie and your colleagues in ANARE, and to everyone in the BAS Club
